THE YACHT report

The leading magazine for the design, construction,
management, ownership & operation of luxury yachts

Issue 81

February 2007

industry update – global news

Extended Coverage for NSSL Cruise-IP Clients

NSSL Cruise-IP clients are set to benefit from the launch of the company's own DVB-RCS Gateways in Florida and California in the first quarter of 2007, which will extend coverage on US, Caribbean, Mediterranean and Pacific routes. NSSL is partnering with STM Norway, a subsidiary of STM Group, which specialises in designing, manufacturing and installing DVB-RCS VSAT Gateways.
