

Addvalue Wideye SABRE™ 1

Addvalue Wideye SABRE™ 1

The Addvalue Wideye SABRE™ 1 is a highly portable BGAN terminal, which provides simultaneous voice and broadband data with data rates of up to 384kb/s. It is easy to use and is equipped with a range of common interfaces which provide connectivity options in the field.

The swiveled antenna facilities ensure rapid and easy pointing for a satellite connection. Combined with its sub-laptop size, the terminal is ideal for single users who need to set up a complete broadband mobile office in frequently changing locations
