

Thuraya SO-2510

The Thuraya SO-2510 Handset

The Thuraya SO-2510 is the smallest satellite handset in the industry weighing only 150g. With a full colour high-resolution screen, this new generation handset provides users with Satellite and GPS communication options from virtually any remote location.

The SO-2510 offers a range of features and services including voice, data, fax and SMS.

Thuraya offers coverage in over 110 countries throughout the world, including Europe, North and Central Africa, The Middle East, Central Asia and the Indian subcontinent, and has recently extended its coverage to include East and South East Asia.
